## 1U Horizontal Cable Management Panel With D-rings

**TMT GLOBAL** Horizontal cable management using D-rings is rack cable management in one of the most basic forms. Using the metal hooks, called "D-rings", cables are easily routed and organized to keep your rack organized and simplify equipment maintenance with fast access sibility. This horizontal cable manager, whose five D-rings accommodate large quantities of coppers, fiber patch cables and ETC, is perfect for all types and sizes of wiring and cabling
